1965

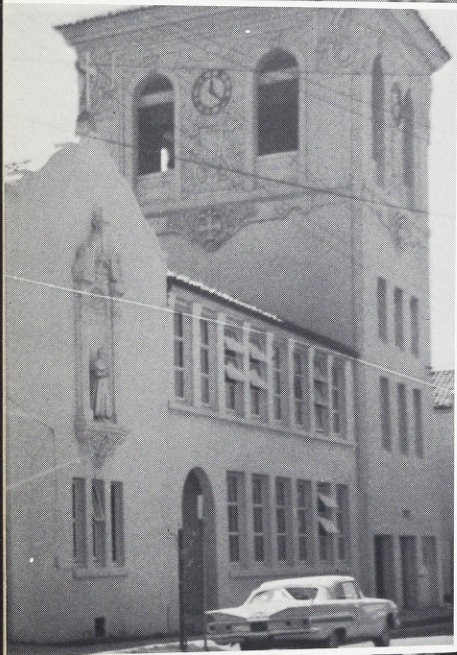

1965 POWERDIVE

***St. Joseph High
School
30th Anniversary***

1119 Lafayette St.

Alameda, California

A Dedication

Saint Joseph High School is a testimony to all of the good works, prayers and sacrifices of the parish of Saint Joseph. How can so much be repaid to so many by so few? It is with grateful thanks that as we are in the thirtieth anniversary of the founding of the Saint Joseph High School to have as our privilege to dedicate the 1965 POWERDIVE to the parish of Saint Joseph, Alameda, California.

The parish of Saint Joseph can look with great pride at its works of the Church, the education of its youth. Three schools, clustered about the parish church, are a reminder to all how much the parish has worked, prayed and sacrificed to bring into creation buildings which are equipped to continue the work of education which was begun in ages past and which was sanctified by the Great Teacher, Jesus Christ.

May God continue to bless the parish of Saint Joseph. May we be mindfully grateful to the pastors, clergy and parishioners for the good they have done for our education.

To the Class of 1965

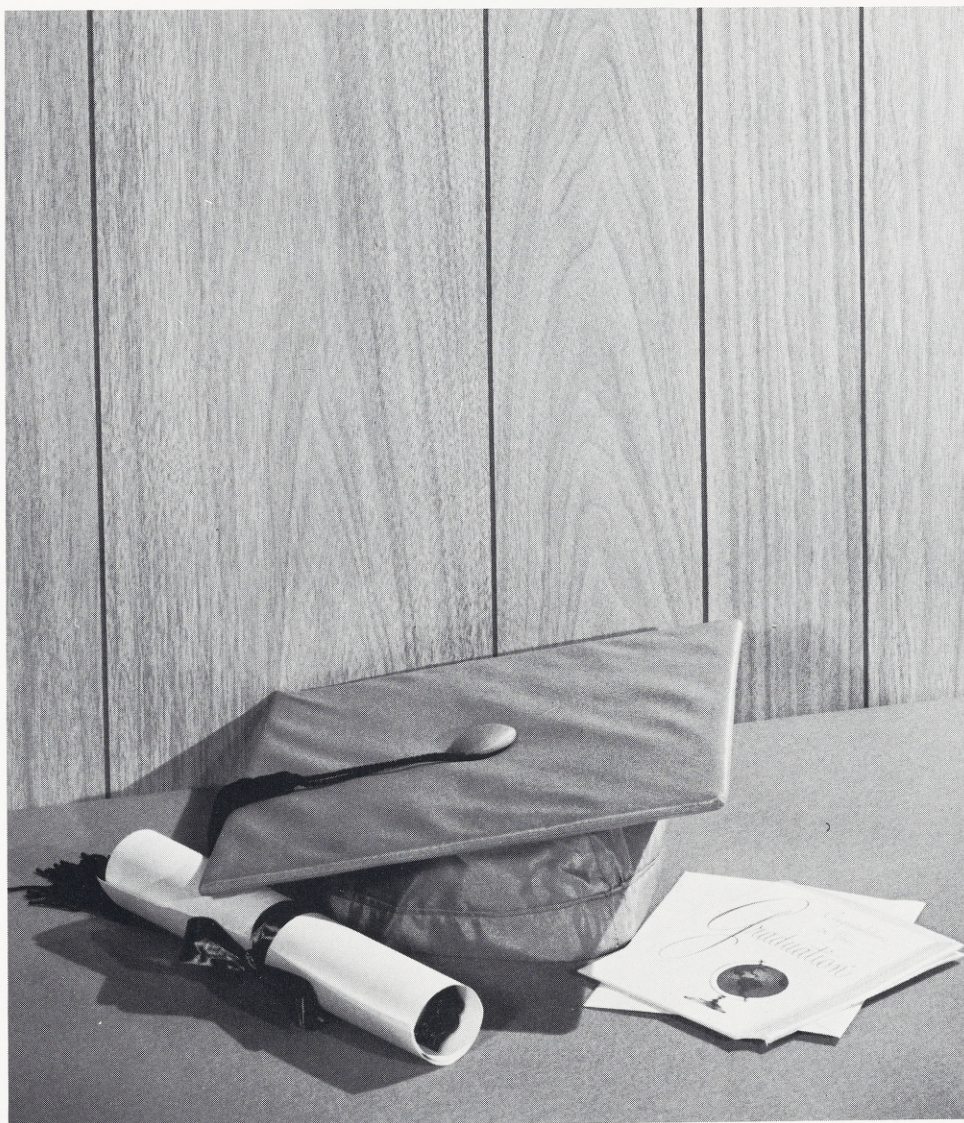

You have almost completed a period in your life which is a time of searching, of striving towards self-identity, of testing out the potentialities of an emerging adulthood. Yet you can never be urged to test and to taste all that is in sight. But you have shown how the process of arriving at a socially responsible decision can be one of the most exciting and significant events in your life. This was done by your constant application to the ideals of your Alma Mater. These ideals have not changed within the thirty years of the school's founding, for these ideals are rooted in the cornerstone of Christianity---the teachings of Jesus Christ.

May you prove worthy to be always and everywhere a man of Saint Joseph.

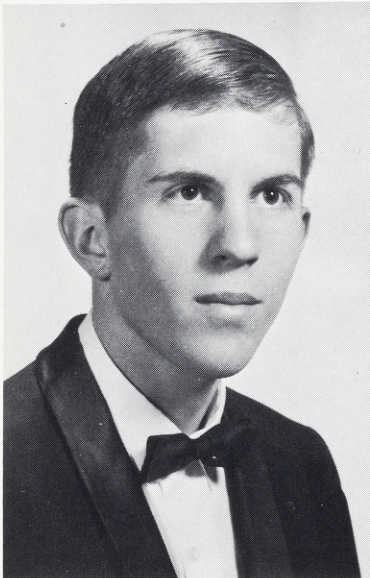

Very sincerely yours in J. M. J.,

Brother Robert Joseph Nunes, S.M.

Many thanks to the faculty and all those who helped make this year a success academically, athletically and socially. Due to their unending efforts to advance the school name, we can be justly proud of the title "Men of Saint Joseph. "

A special thanks must go to Monsignor Alvin Wagner, for having succeeded where others have failed. The completion of our All-Purpose Hall with gym facilities is primarily attributed to the excellent work of this man.

This is the 1964-65 Powerdive: the commentary and record of the productions of the editorial, business and photographic staffs. This book enables you to recapture some of the cherished moments which you have spent here at Saint Joseph. Due to the untiring efforts of Brother Nunes S.M. and the staff members of the various components of the book; sports, activities, editorials were fed into the mill and a yearbook supreme was produced.

Library

Study, study, and more study, that seems to be the motto of Saint Joseph High School. But the Pilots survive, and that fact can be attributed to our helpful and efficient library staff.

Under the management of Brother Donald Bradley, the staff represents the most indispensable aid to any student.

S J Pilots won the Alameda City Championship for the second consecutive year. They defeated Alameda and Encinal by scores of 59-26 and 57-34 respectively.

The Pilot's Cross Country team placed second in the annual Catholic Athletic League meet held at Cal State in Hayward.

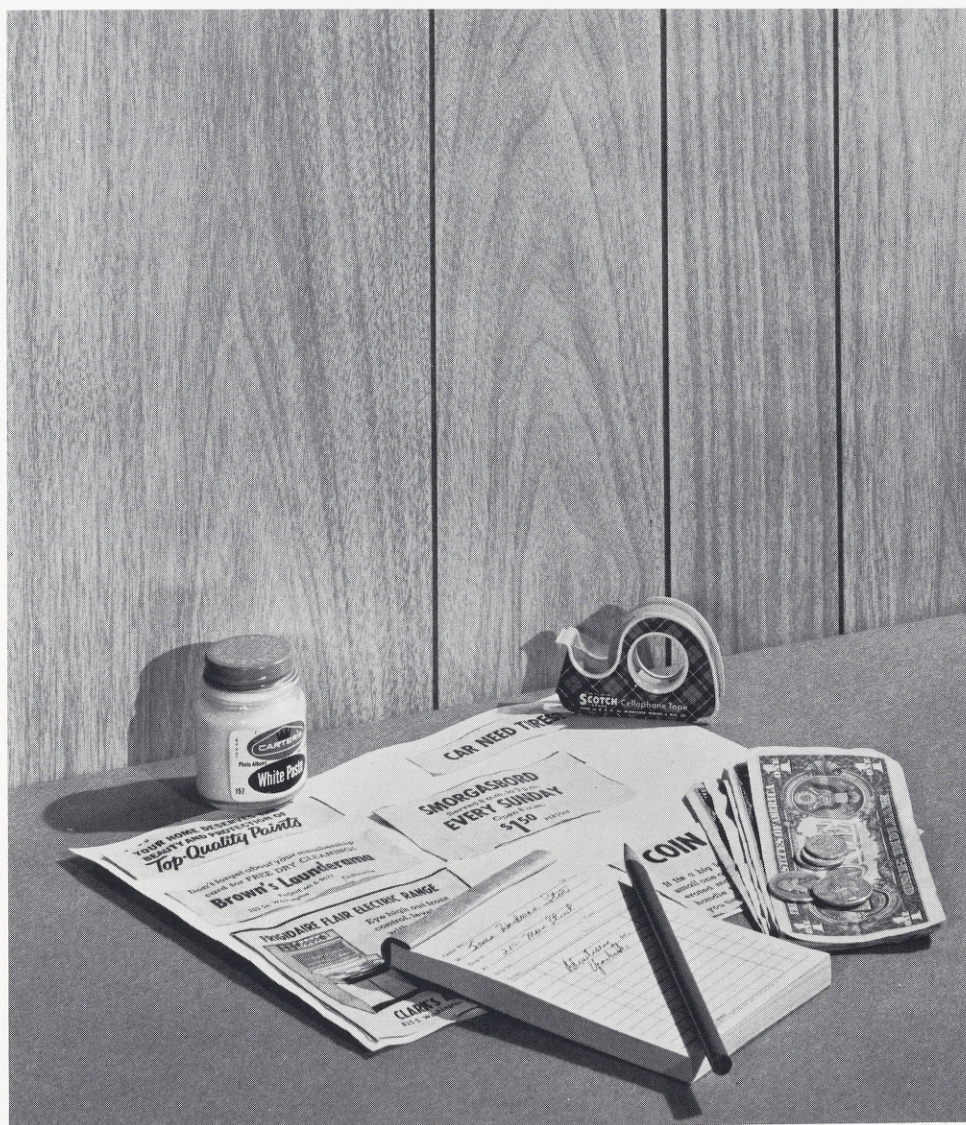

The Varsity Basketball team did an outstanding job this year in running up an 11-1 pre-season record and a well deserved 12-2 season record. They tied for first place in the hard fought C. A. L. battle.

The Pilot's Track team has already won its first meet, and is providing the school with great hopes of placing high in the coming up C. A. L. Track Meet.

The team also captured the first place trophy in the annual Bishop O'Dowd Invitational Christmas Tournament.

Dear Patrons:

We, the members of the 1965 Powerdive staff, wish to thank you very much for contributing to the production of our annual. We realize that this publication does not have anywhere near the circulation of other medias of advertising; however, the students have been asked to patronize you and to encourage their friends to do likewise. We hope that you like the manner in which your advertisement was placed; due to our limited facilities, it was the best we could do. Furthermore, we wish to see your advertisement in the 1966 edition of the yearbook.

Thank You

The 1965 Powerdive
Staff
